

Welcome to Företagslogi!

Företagslogi offers the following services:

- Företagslogi offer good prices and rapid accomodation solutions to companies.
- A personal intermediary working commissioned by you.
- Allocating a safety package that gives you a safe period of six months of tenancy.

Företagslogi offers a high level of service to our clients:

- Complete the form below or on www.foretagslogi.se. The application is to be signed by an authorized person or a responsible orderer from your company. You can choose whether an employee or the company/institution should act as the tenant.
- Registration is free of charge. Fee applies only when you have been provided with an accomodation solution.
- We will contact you rapidly after registration and start searching for accomodation according to your wishes. Företagslogi also provides you with the opportunity to search among the properties available for letting on our website.
- Your personal intermediary will schedule viewing appointments for you as well as drawing up of lease contract when agreement is made with the landlord. The lease contract includes a security package.

Price for mediating service and security package:

The price includes a commission of a one (1) month rent, excluding VAT. Minimum charge is SEK seven thousand nine hundred (SEK 7.900) excluding VAT. Commission fee applies immediately when tenant or other authorized person and the landlord have signed the lease contract. Commission fee is due to Företagslogi when drawing up of lease contract after agreement between the tenant or other authorized person and the landlord.

The orderer is not allowed to drawing up of contracts when accomodation is supplied by Företagslogi.

The price includes a mediating service fee of SEK 3.000.
